www.uchicago.edu

The storied University of Chicago "is a place that you will love and hate for the same reasons. You have never worked harder, done more, or slept less, but you will never learn as much or be so greatly rewarded," according to a student here who seems to share the general sentiment. A rigorous core curriculum consumes about one-third of the total credits required for graduation. Authors Kurt Vonnegut, Jr. and Susan Sontag are alums.

Student Body

Enrollment: 5,065
Out Of State: 78%
% Male/Female: 50/50
